Responses to Questions

Question 1 – Please list the name of the firm(s) who have provided these services to the LMDC in the past

Kroll Associates

Hawthorne Investigation and Security

Question 2 – Can you provide an estimate of the quantity of screenings at each of the various levels of screening that you anticipate over the life of the contract – to provide a baseline for pricing?

The quantity of integrity screening requests varies greatly as projects commence and conclude. The expected minimum number of searches is estimated to be twenty (20) per year. If relative volumes affect the per unit price please include an explanation in your RFP response.
