

Addendum No. 1

April 13, 2007

**Lower Manhattan Development Corporation Request for Qualifications for
Printing and Copying Services (LMDC-59)**

Acknowledgement of the Addendum

Please acknowledge receipt of this addendum in your proposal submission.

Responses to Questions

Question 1 – How is the contract being awarded? Is it awarded among several contractors for a variety of services? Is it in my best interest to provide all the services? How does Empire State Development (sic) plan on awarding this contract? Is it based on credentials, experience or pricing?

As stated in Section II of the Printing and Copying Services RFQ, LMDC “would like to create a pool of several firms that it deems qualified from which [LMDC] can draw on to obtain printing and copying services. . .” As stated in Section III of the RFQ, “LMDC has no preference that all services be provided by the same firm and firms may choose to submit qualifications to provide less than all of the anticipated scope of services.” The basis on which contracts shall be awarded by LMDC is set forth in the RFQ.

Question 2 – I am a printing broker. I plan to partner with [other companies]—is this acceptable?

Yes.
