

Small Firm Assistance Program

List of Eligible Blocks Since July 1, 2007 (Last Updated 1/1/09)

Be sure to check LMDC's website, www.renewnyc.com, for monthly updates to this list.

Instructions: First, find the street you are located on in the Eligible Block column. Then, scroll across to find your cross streets. Once you have located your Block, scroll across to the Closure Start Date column to determine when your street was first closed. Then, scroll across to the Closure End Date column to determine when your street closure ended. Put these dates in Section 4 on Page 1 of your application. Use these dates to determine how many **thirty-day periods** you are eligible for. Be sure to check LMDC's website, www.renewnyc.com, for monthly updates to this list.

ELIGIBLE BLOCK	FROM	TO	PROJECT	CLOSURE START DATE	CLOSURE END DATE
