I. GENERAL INFORMATION

A. Mission and Structure of the Lower Manhattan Development Corporation

The Lower Manhattan Development Corporation (“LMDC”) was established in late 2001 to develop and revitalize Lower Manhattan in the aftermath of the September 11, 2001 terrorist attacks including the World Trade Center Memorial and Cultural Program. As it relates to the work of LMDC, Lower Manhattan refers to all areas in Manhattan south of Houston Street.

LMDC is a subsidiary of the New York State Urban Development Corporation, doing business as Empire State Development Corporation (“ESDC”), a political subdivision and public benefit corporation of the State of New York, created by Chapter 24 of the Laws of New York, 1968, as amended. LMDC is governed by a sixteen member Board of Directors, eight of whom were nominated by the Governor of the State of New York and eight of whom were nominated by the Mayor of the City of New York.

LMDC is funded by federal appropriations administered by the United States Department of Housing and Urban Development (“HUD”) through its Community Development Block Grant (“CDBG”) program. Partial Action Plans relating to the expenditure of these funds are available on LMDC’s web site: http://www.renewnyc.com. LMDC also anticipates that it would be the recipient of a grant for construction coordination activities from the Federal Transit Administration (“FTA”).

B. Mission and Structure of the Lower Manhattan Construction Command Center

In November of 2004, the Governor of New York and the Mayor of New York City signed joint Executive Orders creating the Lower Manhattan Construction Command Center (“LMCCC”) and charging it with coordination and oversight of all Lower Manhattan construction projects, including fraud prevention in the reconstruction of the World Trade Center area. As it relates to the work of LMCCC, Lower Manhattan is defined as the area of Manhattan south of Canal Street and southwest of Rutgers Street from the Hudson River to the East River.

LMCCC will take steps to minimize the impact of ongoing construction on residents, businesses, and workers in Lower Manhattan. LMCCC will bring together private developers, public agencies, utilities, businesses, and residents in one location. In addition to its oversight and coordination responsibilities, LMCCC and its Executive Director create a forum for expeditious and consistent decision-making on disputes among agencies. The Executive Director reports directly to both the Governor and the Mayor.

LMCCC is funded in part by federal funds administered by LMDC and accordingly follows administrative, financial and legal policies and procedures of LMDC.
C. Overview of Services Requested and the Submission Process

In fulfilling its responsibility of fraud prevention in connection with Lower Manhattan construction, LMCCC will need to obtain the services of one of more firms to establish and operate an Integrity Hotline to receive complaints regarding alleged corruption, fraud, waste and abuse, or other wrongdoing in connection with Lower Manhattan construction projects. LMCCC may select one or more firms to provide some of the requested services, or LMCCC may select a single firm to provide all services requested. Firms interested in submitting proposals to provide such services are required to follow the recommended guidelines and instructions contained in this Request for Proposals (“RFP”). In the event it becomes necessary to revise any part of this RFP, revisions will be provided by addenda posted on the LMDC website: http://www.renewnyc.com.

Proposals should provide a straightforward, complete and concise description of the firm’s capabilities to satisfy the requirements of the RFP. Please prepare ten (10) copies of your proposal and work samples. Each copy of the proposal should be bound in a single volume and include any documentation you may wish to submit.

Firms submitting a proposal in response to this RFP may be required to give an oral presentation of their proposal to LMCCC. This oral presentation may provide an opportunity for the firms to clarify or elaborate on the proposal but will in no way change the original submission. Engagement staff should be present at the oral presentation. LMCCC’s request for an oral presentation shall not constitute acceptance of a proposal.

Proposals must be received no later than 5:00 PM EST, September 26, 2005. Deliver all proposals to:
