Reminder

The Public Comment Period regarding the 130 Liberty Street Initial Building Characterization Study Report will end tomorrow, October 13, 2004 at 5:00 PM. The LMDC had opened a formal comment period for written questions and concerns from September 14, 2004 through October 13, 2004. Comments should clearly describe specific issues or topics that should be considered in the cleaning and deconstruction plan. The LMDC will review these submissions and address them while developing the cleaning and deconstruction plan for the building. [Click here to submit questions or concerns.](#)
