

February 17, 2005

Today, the New York City Council Select Committee on Lower Manhattan Redevelopment held a hearing regarding: Demolition of 9/11 Contaminated Buildings: Which Government Agencies Are Responsible? LMDC President, Kevin Rampe provided testimony describing an overview of the 130 Liberty Deconstruction project to date and our involvement and coordination of the City, State and Federal regulatory agencies which are guiding us in this project. This testimony is now available on our website at: [http://www.renewnyc.com/content/pdfs/130liberty/Testimony\\_130\\_Liberty\\_4.pdf](http://www.renewnyc.com/content/pdfs/130liberty/Testimony_130_Liberty_4.pdf)
