

This morning, as workers were continuing to install the scaffolding at 130 Liberty St., a worker fell on the scaffolding and was injured. The worker was able to walk to the personnel hoist and was then taken to a local hospital for treatment. The incident did not result in any impact on the surrounding community and work is proceeding as scheduled.

The emergency protocols put in place by LMDC and the contractors were followed and resulted in a prompt response to the incident. The site safety manager immediately contacted appropriate LMDC personnel and they are reviewing the incident.
