

January 25, 2005

On Monday January 24, 2005 the LMDC held an additional public information session regarding the draft Phase I Deconstruction Plan for 130 Liberty Street, which was released on December 13, 2004. The meeting was held to provide background information about the project and to allow the public to continue to provide comments on the draft Phase I plan. The presentation that was given at this meeting can be seen on the LMDC website at: http://www.renewnyc.com/content/1_24_05_130_Liberty_Street_Deconstruction_Project_Presentation_final.ppt

We will be posting a full transcript of the session in the upcoming days, as well as additional frequently asked questions (FAQ's).

As a reminder, in the 130 Liberty Street section of the website at www.renewnyc.com/130liberty you can also find the full draft Phase I Deconstruction Plan, answers to FAQ's, and the on-line comment/question form. We look forward to your continued input as the deconstruction process moves forward.
