RE: Proposed revision to the May 14, 2009 approved Decontamination and Deconstruction Implementation Plan

Dear Mr. Javal,

This letter identifies revisions to the May 14, 2009 approved Decontamination and Deconstruction Implementation Plan requested by the New York State Department of Environmental Conservation (NYSDEC).

On page 11 of the Contractor's Implementation Plan for Decontamination and Deconstruction, under item III.C.a, the following parenthetical to be added to the end of the paragraph:

(PCB-containing material having a PCB concentration at or above 50 ppm shall be managed in accordance with all applicable requirements for hazardous waste number B007. [See 6 NYCRR 371.4(e)(1)].)

On page 20, of the Contractor's Implementation Plan for Decontamination and Deconstruction, under item IV.B.2, the following parenthetical to be added to the end of the paragraph:\

(PCB-containing material having a PCB concentration at or above 50 ppm shall be managed in accordance with all applicable requirements for hazardous waste number B007. [See 6 NYCRR 371.4(e)(1)].)

Your immediate attention and help is greatly appreciated.

Regards,

A handwritten signature in black ink that reads "F.W. Burkhardt".
